THIS AGREEMENT, entered into this 04th day of September, 2008 by and between the City of Lakeland, Tennessee (hereinafter referred to as "City" or "Lakeland") and the Shelby County Government (hereinafter referred to as "County" or "Shelby County").

WITNESSETH

WHEREAS, Lakeland and Shelby County have current and active agreements whereby Shelby County has agreed to provide fire protection and ambulance services to residents of Lakeland and Lakeland residents are billed for such services on a monthly basis; and

WHEREAS, due to recent annexations of areas formerly covered by Shelby County into the City of Memphis, Tennessee, the area of coverage for the Shelby County Fire Department and Ambulance Services is changing to an extent that Shelby County and Lakeland will mutually benefit from a second fire station being located within the corporate limits of the City of Lakeland; and

WHEREAS, Lakeland desires to construct a building of sufficient design as size to house a second fire station on City of Lakeland property; and

WHEREAS, Shelby County desires to staff, equip and maintain such second fire station in the City of Lakeland with firefighters employed by, and equipment owned by, the Shelby County Fire Department; and

WHEREAS, Lakeland and Shelby County will mutually benefit from the staffing, equipping and maintaining of such additional fire station within the corporate limits of the City of Lakeland.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in consideration of the mutual covenants and obligations herein outlined, the parties hereto agree as follows:

1. Lakeland will undertake to design and construct a building as soon as practicable, sufficient in size and design to house a second fire station, within the corporate limits of the City of Lakeland at no cost to the County. It is mutually agreed that Shelby County shall have the opportunity to review and comment on the preliminary and final plans for said building.

2. Said building, and the building covered in the March 6, 2003 Agreement between the City and Shelby County, will be owned by Lakeland and Lakeland and Shelby County agree that Shelby County will lease the buildings from Lakeland at the rate of One Dollar (\$1.00) per year for an initial term of twenty (20) years that may be renewed by Shelby County for two (2) additional terms of ten (10) years each. This agreement shall renew upon notice provided by either party to the other not less than twelve (12) months prior to the end of any term provided for herein.

3. The Shelby County Fire Department will staff, equip and maintain said buildings as fire stations at no charge to Lakeland. the term of this agreement. The County will be responsible for ordinary maintenance of the premises arising from its usage of the properties.

4. Lakeland residents will continue to pay the prevailing county resident fee for fire and ambulance protection.

5. This agreement may be terminated by either party upon service of notice on the other party twelve (12) months prior to the desired date of termination. Notice shall be served by certified United States Mail, return receipt requested, to the following addresses:
